Big, exciting, and very difficult day of announcements for Shift...

We announced deal to merge with CarLotz, with Shift as successor company (release attached).

Nine years after starting Shift, I am stepping down as CEO, to be succeed by our President Jeff Clementz - more here: <https://bit.ly/3zJX01l>. I am glad that we've been able to put together such a good succession process.

And, given market conditions, we announced a new biz plan, which sadly comes with some really tough decisions about our team. We anticipated this plan to be fully funded with CarLotz merger, but pain these changes cause is very real - this one is on me. Presentation here: <https://bit.ly/3P7IA0R>
